

Security and Confidentiality Statements

 <p>Benchmark Assessments (EADMS)</p>	<p>The online data systems are designed for administrators and teachers. They contain students' private information, including test scores and state identification numbers. The systems are password protected and require a user ID and an assigned password for access.</p>
 <p>JCampus</p>	<p>The systems are not for public use, and any student information from the systems must not be disclosed to anyone other than a state, district, or school official as defined by the Family Educational Rights and Privacy Act of 1974 (FERPA). Aggregated test data of fewer than 10 students is protected from unauthorized access and disclosure.</p>
 <p>ACT WorkKeys</p>	<p>By signing this agreement, I hereby certify, as required by the State Board of Elementary and Secondary Education's Test Security Policy (Bulletin 119, Chapter 3), that I will maintain the confidentiality of student data accessed through these systems, and I will not share the password with unauthorized individuals.</p>
 	<p>If I leave the position that allowed me access to these systems, I will neither access nor disclose any data previously accessed through these systems. To do so would be in violation of the Family Educational Rights and Privacy Act (FERPA).</p>
 <p>Eagle LEAP LEAP 360 End Of Course</p>	<p>If I leave the position that allowed me access to these systems, I will neither access nor disclose any data previously accessed through these systems. To do so would be in violation of the Family Educational Rights and Privacy Act (FERPA).</p>
