The East Baton Rouge Parish School System is pleased to share that the organization intends to apply for a 21<sup>st</sup> Century Community Learning Center (21stCCLC) grant through the Louisiana Department of Education (LDOE) this spring. Currently in our third and final year of grant support, EBRPSS will be reapplying for program funding through a competitive RFP process. The purpose of 21<sup>st</sup> CCLC is to create community learning centers that provide students with academic enrichment opportunities as well as additional services to complement their regular school day academics. We would like to get your input about out-of-school programming in your community.
