

Greenbrier Elementary School

"Building a Community of Excellence"

Summer Gator Snap

Note from Principal Hollins

I pray everyone is having a wonderful summer so far. Students should be getting and lot of rest and having tons of fun during June and July. Most importantly, students should choose a few books to read as well so they don't lose those awesome reading skills! We also would love it if our students could practice and memorize their math facts. Research shows that students perform better in reading and math if they practice reading on a regular basis as well as memorize their math facts.

Here are very important dates we want you to be aware of... >>>
Please click the links associated with the upcoming events for more information about that event.

As always, thank you for always supporting your child and Greenbrier Elementary.

Have a safe and wonderful Summer!
S. Hollins, Principal
