(c) The involvement of the child in any sexual act with a parent or any other person, or the aiding or toleration by the parent, caretaker, or any other person of the child's involvement in any of the following:

(i) Any sexual act with any other person.

**"Neglect"** means the refusal or unreasonable failure of a parent or caretaker to supply the child with necessary food, clothing, shelter, care, treatment, or counseling for any injury, illness, or condition of the child, as a result of which the child's physical, mental, or emotional health and safety is substantially threatened or impaired. Neglect includes prenatal neglect. Consistent with Article 606(B), the inability of a parent or caretaker to provide for a child due to inadequate financial resources shall not, for that reason alone, be considered neglect. Whenever, in lieu of medical care, a child is being provided treatment in accordance with the tenets of a well-recognized religious method of healing which has a reasonable, proven record of success, the child shall not, for that reason alone, be considered to be neglected or maltreated. However, nothing herein shall prohibit the court from ordering medical services for the child when there is substantial risk of harm to the child's health or welfare.
