

Student Progress Center Parent Access

<https://ebr.edgear.net/progress>

First Time Access:

1. Log onto: <https://ebr.edgear.net/progress>
2. Click Register a New User.
3. Use the pull-down menu and choose the relationship to the student. This information should match the information in the

school's records.

4. Enter your Parent Security Number (PSN). The PSN # can be provided by your child's school.
5. Click Submit.

Using Student Progress Center:

1. Click Sign In.
2. Click on the student's name on the right side of the screen.
3. The following TABS are available to display data:
 - Attendance – student's attendance record
 - Comment –progress report and report card comments
 - Discipline – student's discipline record
 - Grades – student's current grades for each course
 - Lessons – student's assignment grades for the current marking period
 - Progress – student's detailed progress report for each course
 - Transcript – current transcript for high school students
 - Other – information about the school, grading periods, school calendar, etc.
 - Tests --Student's standardized test scores

Linking Multiple Students:

1. Click Sign In.
2. Click the Link Students button on the bottom of the screen.
3. Answer the screen prompts for the student to be added.
4. Click Submit.
