### Principal's Corner

This year has started off with a bang! Learning is going on everywhere!

The students have started with testing and I am so eager for the students to move to the next level.

Parents remember, in order for the students to succeed, your assistance is needed. Here are ways to help your child.

- Communicating with teachers.
- Helping with homework.
- Making sure your child gets a good night's rest.

I'm looking forward to a great year!

Your principal,  
Richard Rattliffe
