

12TH GRADE INTERNSHIP PROGRAM

EAST BATON ROUGE PARISH SCHOOL SYSTEM

RIDE-A-LONG AUTHORIZATION FORM

(Parent/Guardians of Student Interns)

Student Name: _____ High School of Enrollment: _____

Internship Worksite: _____

Internship Worksite Supervisor: _____ Work-Based Learning Teacher: _____

Some of the businesses that partner with the East Baton Rouge Parish School System and sponsor student interns require travel as an essential function of their professional operations. Student interns placed at the worksites of these businesses will engage in travel as a component of their internship experience.

Therefore, this form is intended to provide notice to a student intern and his/her parent/guardian that the internship that the student has been assigned to incorporates travel as a component of the field experience; and requires authorization for the student intern:

- To travel or "ride-a-long" in a company vehicle that is insured by the business partner.
- To travel or "ride-a-long" "with a designated employee of the business with the understanding that this employee has a valid and state issued driver's license.
- To travel or "ride-a-long" in the company vehicle with a designated employee of the business during the company's hours of operation and for business purposes only.
- To travel or "ride-a-long" in the geographic location of East Baton Rouge Parish or no more than a 25 miles radius outside of the parish's physical boundaries.
- To travel or "ride-a-long" in the company vehicle as a rider only. The student intern is prohibited from driving or operating the company vehicle at any time.

It is noted that the student intern is expected to adhere to safety requirement of wearing a seat belt when traveling in a company vehicle.

Please indicate whether or not you authorize the student intern to travel or "ride-a-long" in the company vehicle(s) of a business partner with the East Baton Rouge Parish School System by checking one of the options below:

☐ I give permission for my child to "Ride-A-Long" as specified in the language articulated in this document.

☐ I do not give permission for my child to "Ride-A-Long" in a company vehicle associated with a business partner of the EBRPSS Student Internship Program and I understand that decision may result in the student not being able to participate in the internship program/experience.
