
Exceptional Student Services

2023/2024 Summer Camp Proposal

Prepared by:

Natalie Tillman-London, SEAC Facilitator

Revised April 29, 2024

OVERVIEW

The SEAC committee is proposing the first Exceptional Student Services summer camp program for students with disabilities receiving ESS services.

GOAL

To provide students with disabilities academic and enrichment activities during the summer.

SPECIFICATIONS

- Proposed Dates: June 24th-27th
- Proposed Time: 8:00 am - 12:00 noon (overlaps with ESY program housed at Arlington Prep)
- Proposed location: Winbourne Elementary
- Transportation: The provision of transportation is being reviewed by the Executive Director of Exceptional Student Services
- Targeted Population: Students in grades 6th-8th during the 2023-2024 school year.
- Enrollment Allotment: 15 students per grade level will be accepted based on application review.
- Exclusions: Parents of students who qualify to attend ESYS will have to make a choice between ESYS and the ESS Summer Enrichment Camp. If the ESS Summer Enrichment Camp is selected, parents will be asked to sign an ESYS waiver.
- Proposed Activities: Enrichment activities focused on math and ELA standards

Proposed Academic Standards to be Addressed

ELA/ Creative Writing (Days 1-4)		
Grade	Louisiana Student Standard	Louisiana Connector
6	6.WS.3. Write narratives to develop real or imagined experiences or events using effective technique, relevant descriptive details, and well-structured event sequences.	LC.W.6.3a Produce a narrative permanent product which engages and orients the reader by establishing a context and introducing a narrator and/or characters.

7	7.WS.3. Write narratives to develop real or imagined experiences or events using effective technique, relevant descriptive details, and well-structured event sequences.	LC.W.7.3a Produce a narrative permanent product which engages and orients the reader by establishing a context and point of view and introducing the narrator and/or characters.
8	8.WS.3. Write narratives to develop real or imagined experiences or events using effective technique, relevant descriptive details, and well-structured event sequences.	LC.W.8.3a Produce a narrative permanent product which engages and orients the reader by establishing a context and point of view and introducing a narrator and/or characters.

Math (Days 1-4)		
Grade	Louisiana Student Standard	Louisiana Connector
6	6.G.A.3 Draw polygons in the coordinate plane given coordinates for the vertices; use coordinates to find the length of a side joining points with the same first coordinate or the same second coordinate. Apply these techniques in the context of solving real-world and mathematical problems.	LC.6.G.A.3a Use coordinate points to draw polygons.
7	7.G.A.2 Draw (freehand, with ruler and protractor, or with technology) geometric shapes with given conditions. (Focus is on triangles from three measures of angles or sides, noticing when the conditions determine one and only one triangle, more than one triangle, or no triangle.)	LC.7.G.A.2 Construct or draw plane figures using properties
8	8.G.A.2 Explain that a two-dimensional figure is congruent to another if the second can be obtained from the first by a sequence of rotations, reflections, and translations; given two congruent figures, describe a sequence that exhibits the congruence between them.	LC.8.G.A.2 Recognize congruent and similar figures.

Proposed Daily Schedule

Time	Activity
8:00-8:10	Arrival
8:10-8:25	Restroom and Breakfast
8:25-10:45	Enrichment Activities
10:45-11:00	Creative Writing/Art
11:00-11:30	Restroom/Lunch
11:30-11:45	Team Building through Literacy and/or Math activities
11:45-12:00	Prepare for departure
12:00-1:00	Staff meeting and preparation for the following day

Proposed Staffing/Budget

Orientation Day: June 20, 2024 9am-11am (1 day @ 2 hours)

Instructional/Work Days/Hours: June 24- 27, 2024 8am-1pm (4 days @ 5 hours)

Proposed Staff	Proposed Budget
Teachers	12 @ \$35.00 per hour 22 total hours X 35.00= \$770.00 12 teachers X 770.00= \$9,240.00
APE	6 @ \$35.00 per hour 22 total hours X 35.00=\$770.00 6 APEs X 770.00= \$4,620
Paraprofessionals	12 @ \$13.58 per hour 22 total hours X 13.58=\$298.76 12 Paras X 298.00= \$3,576
Child Specific Paraprofessionals	2 @ \$13.58 per hour

	$22 \text{ total hours} \times 13.58 = \298.76 $2 \text{ CSP} \times 298.76 = \597.52
Nurse	$61 @ \$35.00 \text{ per hour}$ $22 \text{ total hours} \times 35.00 = \770.00 $1 \text{ Nurse} \times 770.00 = \770.00
