Hello Wildcat Family,

This letter is written on behalf of the EBRPSS regarding Westminster Elementary School. We are writing to inform you that the EBR School Board voted to close Westminster Elementary School at the beginning of the 25-26 school year.

**Westminster Elementary students will be dispersed to either Wedgewood Elementary or Highland Elementary based on attendance zones and current home address. An official letter will be sent home in the next few days, letting you know which school your child will be attending next year, based on the home address we currently have on file.**

The transportation department will be sending updated bus routing information this summer.

This decision was made to ensure that all students have access to stronger academic programs, more resources, enhanced learning environments and opportunities for success.

We understand this is a significant change, and we're committed to supporting your family through this transition. Thank you for being an important part of our school community.
