Dear Delmont Pre-K Center Families and Community,

I am honored to introduce myself as the new Principal of Delmont Pre-K Center for the upcoming school year! From the moment I stepped onto campus, I could feel the warmth and dedication of the staff—it truly feels like family.

With 24 years of experience in education—as a Teacher, Dean of Students, Assistant Principal, and Principal—I bring a deep commitment to fostering a positive, inclusive, and collaborative learning environment where every child is valued and encouraged to thrive.

My Beliefs & Commitments:

- Every child has unique strengths and boundless potential
- A strong partnership between home and school is key to student success
- Early childhood education lays the foundation for lifelong learning
- Students deserve daily experiences that are joyful, enriching, and meaningful

My Goals as Your Principal:

- ✓ Build strong, trusting relationships with families and staff
- Support the growth of our early childhood programs
- Ensure every student feels seen, loved, and empowered to learn
- Prepare all students for a successful transition to Kindergarten

tet's Connect!

In the weeks ahead, I look forward to preparing for your child's arrival and getting to know each of you. See the attached page for our parent meeting date of August 7th and staggered enrollment dates. Your child's teacher will notify you of the day that your child comes on for orientation. The first full day of school for all students is Wednesday, August 13th.

I am truly grateful for the opportunity to serve as your principal and to work together to make Delmont Pre-K Center the best it can be for our little learners.

With Gratitude.
