EBR Schools, Southdowns Pre-K to Present Little Leprechaun Recruitment Event

BATON ROUGE, La. – The East Baton Rouge Parish School System and Southdowns Pre-K Center are excited to present Little Leprechaun Learners Day from 10 a.m. to noon Saturday, March 7, at the center, 2050 Hood Ave.

The fun and festive spring recruitment event offers families an opportunity to explore the school's outstanding pre-K program and enroll students who turn 4 years before Sept. 30.

“At this time, we are working diligently to increase pre-K enrollment,” said Southdowns Principal Shalika Scott. “The more families we reach, the stronger our program grows.”

Southdowns offers a well-rounded early childhood experience that includes:

- Free swimming lessons.
- Music instruction.
- Physical education.
- Library literacy groups.
- Extended day options.
- An inclusive playground.

Families should bring the following documents to complete registration:

- Child's birth certificate.
- Two proofs of residence.
- Proof of income (two recent check stubs or SNAP benefits documentation).

Parents are encouraged to come for the fun and stay for on-site registration assistance.
