Tara High School, Local Nonprofit to Provide Students with Custom Suits

BATON ROUGE, La. – Tara High School, in partnership with the Evolution Club for Boys and Men’s Wearhouse, will host a “Dress for Success” event to provide selected students with new custom-fitted suits.

The event is scheduled for 12:30 p.m. Thursday, March 26, at Tara, 9002 Whitehall Drive.

“Dress for Success is part of my initiative to show mentees a brighter future and prepare them – including JROTC cadets – for college and career success,” said Command Sgt. Maj. James Wheeler (retired), founder of the Evolution Club.

Founded in 2024, the Evolution Club is a Baton Rouge-based nonprofit organization built on the principles of military excellence, educational leadership, fraternal service and fatherhood. Its mission is to shape young men, strengthen families and empower the next generation to make a positive impact in their communities.
