EBR Schools and City of Baton Rouge to Host Joint Job Fair

BATON ROUGE, La. – The East Baton Rouge Parish School System, in partnership with the City of Baton Rouge, will host a joint job fair designed to connect job seekers with career opportunities in education and public service.

The event is set for 9 a.m. to 1 p.m. Thursday, April 30, at the Raising Cane's River Center.

Attendees are asked to bring updated résumés and be prepared for meet-and-greet and on-site interviews with hiring teams from both organizations.

“Through this partnership with the City of Baton Rouge, we are creating meaningful opportunities for individuals to explore careers in education and public service, connect with hiring managers, and take the next step toward a rewarding and impactful future,” said Dr. Lisa Smothers, chief officer of the EBR Schools Human Resources.

Job seekers will have the opportunity to:

- Discover careers within EBR Schools.
- Explore a wide range of positions within city government.
- Connect with employers and professionals from across the Greater Baton Rouge area.

Whether you are an experienced educator, a dedicated professional or someone seeking a new career path, this event provides an opportunity to engage with hiring managers and work toward securing a “Winning Experience.”
