

Where's The Bus Parent App

Summer transportation updates and account setup

Need an account?

- 1 Visit WheresTheBus.com or open the WheresTheBus app.
- 2 Choose Create Account or Setup Account.
- 3 Select East Baton Rouge (LA).
- 4 Add your student and enter the requested information.
- 5 Use one household account if an account already exists.

Summer updates

May 21-May 27

General summer bus stop information begins appearing.

No bus stop by May 27

Contact the school so enrollment and routing can be checked.

Starting May 28

Bus numbers begin appearing with stop information.

Through June 30

Details may change as enrollment and ridership change.

Important

An account lets you view available information. It does not confirm that a summer route has already been assigned. Once an account is created if there is not bus stop information, contact your school.

Need help?

Contact the school if route information is missing or the account will not set up.

Example of what parents may see

The app display may show route details, bus stop information, and updates as routing is completed.

What to check

- ✓ Look for summer bus stop information.
- ✓ Check again for bus numbers after May 28.
- ✓ Recheck details throughout the program.
- ✓ Contact the school if information is missing.

FYI Account setup

Student records, school, grade, or summer transportation details may need to be updated at school before route information appears.
