EBR Schools Encourages Families to Fill Out Economic Survey

BATON ROUGE, La. — The East Baton Rouge Parish School System is encouraging all families to complete an economic data survey to help the district secure funding and resources that support students, schools and families.

The survey collects household income information, which helps determine eligibility and secures additional funding for essential programs and services. Families are encouraged to complete the survey as soon as possible. The deadline is Oct. 20, 2026.

By completing the survey, families can help support:

District Benefits

- School Funding: Resources for computers, books, school supplies and other educational needs.
- Technology Funding: Additional funding for internet access and computers.

Parent & Student Benefits

- Grocery Benefits: Families who qualify may be eligible for grocery assistance, including P-EBT benefits.
- Testing Discounts/ Waivers: Qualifying households may receive discounts on SAT, ACT and AP exams.
- College Application Waivers: Families may qualify for discounts on college application fees.
- Household Wi-Fi Waivers Discounts: Qualifying households may be eligible for internet service discounts.

The survey also captures income-eligibility information that may not be reflected through student records. Families can complete the Electronic Economic Data Survey through MySchoolApps at www.MySchoolApps.com. Completed hard copy paper forms should be returned to the cafeteria manager at the student's school.
