Twins Oaks Elementary Hosting Code-Off for EBR Schools Students

BATON ROUGE, La. — Twin Oaks Elementary School will host the inaugural Boulevard Code-Off, a hands-on coding competition for fourth- and fifth-grade students from across the East Baton Rouge Parish School System.

The competition will be held from **9 a.m. to 12:45 p.m. Saturday, Oct. 24**, at Twin Oaks, 819 Trammel Drive. It is designed to challenge students to think, create, problem-solve and have fun with technology while demonstrating skills in coding, engineering, creativity and teamwork.

Fourth-graders will compete individually in a CodeAI coding challenge, using coding, logical thinking, problem-solving and debugging skills to complete an assigned challenge.

Fifth-graders will compete in teams of two to build and program a LEGO-based creation to accomplish an assigned mission. Students will use coding, engineering, problem-solving, teamwork and creativity to complete the challenge.

Students should be prepared to:

- Explain how their code works.
- Describe the choices they made.
- Demonstrate their solution.
- Answer questions from the jury.

The registration fee is \$5 per competitor, and one registration form must be completed for each student. Space is limited. Lunch is optional and costs \$5.

To register and find additional information, visit:

[Boulevard Code-Off Registration or contact](#) or contact Fred Ledent at fredent@ebrschools.org or call 225-275-6620.
