Woodlawn Middle School to Host 'Spooky STEM Night'

BATON ROUGE, La. — Science, technology, engineering and mathematics will take on a spooky twist for the annual “Spooky STEM Night” from 5:30 p.m. to 7 p.m. Thursday, Oct. 29, at Woodlawn Middle School, 14939 Tiger Bend Road.

The event will feature hands-on STEM activities, interactive learning experiences and student-led STEM stations designed to grow and showcase the opportunities available through Woodlawn Middle’s STEM Magnet Program. Nearby elementary schools Parkview, Shenandoah and Woodlawn will also be participating.

Community organizations participating will include the East Baton Rouge Parish Library, BR STEM, Main Event, LIGO, Bluebonnet Swamp Nature Center and BREC.
