EBR Schools' 'Adopt an Elf' Brings Holiday Cheer to Students in Need

BATON ROUGE, La. — The East Baton Rouge Parish School System is spreading holiday cheer through its annual Adopt an Elf program, a community tradition that helps make the season brighter for students experiencing homelessness and other students in need.

From Nov. 2-19, community members can visit ebrschools.org/adoptanelf to adopt an elf or students whose holiday wish list includes gifts and items that can make the season a little more special. The program provides an opportunity for individuals, families, businesses and community organizations to make a meaningful difference in the lives of EBR Schools students.

"The Adopt an Elf program is a wonderful example of what can happen when a community comes together to support its children," said Superintendent LaMont Cole. "We are grateful to everyone who opens their hearts and gives their time and resources to help ensure our students feel valued, remembered and loved during the holidays."

How to Adopt an Elf:

1. Visit ebrschools.org/adoptanelf beginning Nov. 2.
2. Select an elf and review the student's gift wish list.
3. Shop for the requested items and place all gifts in a gift bag.

All gifts must be delivered from **8 a.m. to 4:30 p.m. Dec. 1-3 at Broadmoor Elementary School, 9650 Goodwood Blvd.** EBR Schools employees and volunteers will organize, sort and wrap the donated gifts before delivering them to students in time for the winter break.

To learn more or adopt an elf, visit ebrschools.org/adoptanelf beginning Nov. 2.
