Tara High School to Host 5K Run/Walk to Support Student Scholarships

BATON ROUGE, La. — Tara High School is turning community support into student opportunity through its Angel Advancement Scholarship 5K Run/Walk on Nov. 7.

The event will begin at 8 a.m. Saturday, Nov. 7, at Tara High School, 9002 Whitehall Ave. All donations and proceeds will support scholarship opportunities for eligible students pursuing postsecondary education.

"The Angel Advancement Scholarship 5K is an opportunity for our community to come together and invest in the future of our students," said Tara Principal John Hayman. "We want every student to know that their dreams are worth pursuing and that they have a community behind them to help make those dreams a reality. Every contribution can make a difference in helping our students take the next step in their educational journey."

The community event aims to bring together educators, families, alumni and community partners in support of student achievement and postsecondary success.

The East Baton Rouge Parish School System encourages community members to participate in the event and support Tara students as they work toward their educational goals.
